Physiotherapist Community Stroke Rehab Full-time

POSITION SUMMARY:

Working to develop and execute personalized treatment plans aimed at maximizing functional recovery and improving overall quality of life for our patients.

Position Requirements:

- Must have a degree in Physiotherapy from an accredited institution. A master's degree in Physiotherapy is preferred.
- Current registration with the College of Physiotherapist of Ontario (CPO) and a valid license to practice physiotherapy in Ontario.
- Minimum of 2 years of clinical experience in a similar rehabilitation setting, with a strong background in stroke rehabilitation preferred.
- Must have expertise in assessing and treating stroke-related impairments and functional limitations
- Strong interpersonal and communication skills.
- Ability to develop and implement evidence-based treatment plans and interventions.
- Proficient in using medical electronic medical record systems and clinical documentation.
- Compassionate, patient-focused.
- All TADH staff members must follow the COVID-19 vaccination series in accordance with the most up-to-date vaccine guidance provided by the Ontario Ministry of Health.

Position Responsibilities:

- **Assessment & Evaluation:** Conduct thorough initial assessments and ongoing evaluations of patients to determine their physical capabilities, limitations, and rehabilitation needs.
- **Treatment Planning:** Develop and implement individualized treatment plans based on evidence-based practices and patient-centered goals.
- **Rehabilitation Interventions:** Provide direct physiotherapy treatments, including manual therapy, exercise programs, functional training, and patient education.

Team Collaboration: Work closely with physicians, occupational therapists, speech-language pathologists, and other healthcare professionals to coordinate comprehensive care plans.

- **Patient & Family Education:** Educate patients and their families about stroke recovery processes, self-management strategies, and home exercise programs.
- **Documentation & Reporting:** Maintain accurate and up-to-date patient records, progress notes, and treatment reports in accordance with hospital policies and professional standards.
- **Community Outreach:** Engage in community education and outreach initiatives to raise awareness about stroke prevention, recovery, and available rehabilitation services.

Compensation and Benefits

- Starting salary of \$40.36/hour; \$78,702.00/year (As per Step 1 of the OPSEU collective agreement.)
- Option to enroll into Healthcare of Ontario Pension Plan.

Interested applicants must submit their résumé by Department of Human Resources, Timmins and District Hospital, 700 Ross Avenue East, Timmins, Ontario, P4N 8P2. Telephone (705) 267-6371; Fax (705) 360-6008; Attention: Kayla Kampman, email kkampman@tadh.com.

Timmins and District Hospital will provide accommodations for applicants with disabilities during the recruitment process.

TADH is committed to fostering an inclusive, equitable, and accessible environment supporting diversity in our work environment to provide quality care where all feel valued, respected, and supported. TADH is dedicated to building a workforce reflective of the communities in which we live, serve, and encourage Indigenous people, visible minorities, and persons with disabilities to apply and self-identify.

We thank all applicants for their response; however, only those selected for an interview will be contacted.
