RE: Mushkegowuk patient advocacy services offered at TADH

Fort Albany
First Nation

Good day everyone, I am excited to share with you all that the Mushkegowuk (mush-kay-go-wuk) O.M.A health department has partnered up with Timmins and District Hospital to provide further indigenous support to patients.

Moose Cree

Patient advocacy services will be available to all eligible patients throughout the hospital. My name is Sara-Jane Hunter, I am the Patient Advocate that will be available to TADH. I am a registered nurse and have worked at TADH in the past. I am very excited to have this opportunity to work with the dynamic health care staff and look forward to this positive new change.
